

Saran S

III Year Computer Science Student

About Me

As an enthusiastic and motivated individual, I am seeking an internship to apply and enhance my programming skills. My passion for this field drives my adaptability and strong work ethic. I am confident these attributes make me a valuable asset, and I am committed to supporting the company's objectives while gaining hands-on experience and professional growth.

 Saran S

EXPERIENCE

May 2021- Aug 2022

Graphic designer

CYRANO · Coimbatore 📍

Designed logos for various medical organizations. Edited videos featuring doctors explaining medical procedures. Collaborated with the team to coordinate and organize files. Conducted market research to understand the target audience better. Attended medical conferences to stay updated on the latest industry trends. Created social media content to promote health awareness campaigns. Assisted in designing brochures and posters for health education programs. Coordinated with medical professionals to gather testimonials for marketing materials.

22/01/2024 - 02/02/2024

Intern

KAVIN ENGINEERING · Tidel Park, Coimbatore 📍

Completed a 2-week cloud computing internship that involved configuring local PC environments for cloud development. Learned to provision and manage cloud resources such as virtual machines, storage, and networking on platforms like AWS and Azure. Gained practical experience deploying and optimizing cloud-based applications as part of the internship program.

21/05/2024 - 31/07/2024

Intern

CISCO · Virtual 📍

Completed a 2-week cloud computing internship that involved configuring local PC environments for cloud development. Learned to provision and manage cloud resources such as virtual machines, storage, and networking on platforms like AWS and Azure. Gained practical experience deploying and optimizing cloud-based applications as part of the internship program.

EDUCATION

Present

B.E Computer Science and Engineering

CERTIFIED · KPR Institute of Engineering and Technology, Coimbatore 🏫

2022

Higher Secondary Education

12TH GRADE · Anan International School, Kalapatti, Tamil Nadu 🏫

2020

Secondary Education

10TH GRADE · Anan International School, Kalapatti, Tamil Nadu 🏫

PROGRAMMING

HTML, CSS, JS

Python

Java

SQL

javascript
